## ABSTRACT

**De La Salle University Health Sciences Campus**
**Admissions Office Applicant Record System**
**DLSU HSC ARS**

The DLSU HSC Admissions Office Applicant Record System is a management information system developed for the Admissions Office of De La Salle University Health Sciences Campus College of Medicine located at Dasmariñas, Cavite. It was developed using Visual Basic 6.0 as the programming language.

The system was developed to provide an efficient system of storing database and retrieval of information, data and grades of applicants who have applied at De La Salle University Health Sciences Campus. The system automates all computations and reports done at the Admissions Office. Installation of a new improved system will further maximize the capabilities of the Admissions Office and can make them more productive.
