**FUNDING SOURCE:** Personal Fund      **COST:** P 15,000.00

**DATE STARTED:** December, 1997      **DATE COMPLETED:** March 2, 1998

**OBJECTIVES OF THE STUDY:**

**A. GENERAL**

To develop a computer software for directory of Seamen's Village using the language of Visual Basic 5.0.

**B. SPECIFIC**

To design and construct an information directory system that shows the house models and its floor plans as well as the facilities. It is also for updating databases of house styles and costs.

**SCOPE AND COVERAGE:**

The system showcased the actual pictures, floor plans and specifications of the eleven different house styles.

**METHODOLOGY:**

The proponents utilize the System Development Life Cycle (SDLC).

**OUTPUT OF THE STUDY:**

**It produces softcopy which temporarily displays Seamen's Village System.**

**CONCLUSION:**

**The system serves as an on- line brochures so that informations will always be readily available.**

**RECOMMENDATION:**

**The proponents recommend that the system contents and functions be enhanced and extended.**
