

## ABSTRACT

The Iglesia ni Cristo (Church of Christ) today is a very successful religious congregation established in 1914. It celebrated its first century of existence last 2014. As the number of members grows around the world, numbering in millions, the number of its ministers also increases in number. The Iglesia ni Cristo minister stands as the pillar foundation of the church, whose primary purpose is to spread and teach gospel of the church. The minister and their own families do not need to acquire personal properties, since the needs are being provided by the church.

This past decade the increased of number of retired ministers grows. Due to that the construction of retirement facilities for minister of Iglesia ni Cristo was being proposed to accommodate the needs of the growing number of the retiring ministers.
