III. **TITLE OF DOCUMENT:** Project Feasibility Study

IV. **NAME AND ADDRESS OF SCHOOL**

De La Salle University - Aguinardo
Dasmarinas, Cavite

V. **NUMBER OF PAGES:** 109

VI. **SUMMARY:**

The proposed school is to be managed by a single person who has a broad and in-depth call for educational services. The organization as a whole will employ 13 employees.

The Academe will serve the demand of the fast growing population of Tanza, Cavite. The demand for the project comprises of children aging from 3 to 6

years old residing in Julugan, Amaya, and Poblacion, Tanza, Cavite belonging to above average and average families.

The school will offer Nursery, Kindergarten and Preparatory to Grade I with special training in creative and theater arts. The salient features of the school is its multi-faceted curriculum exclusively designed for Filipino preschool children.

The total project cost for the school is P 2,941,072.50; P 1,500,000.00 for land, P 1,000,000.00 for building, P 60,750.00 for furniture and fixtures and P 102,450.00 for other equipment. The return of investment is 23.92 % and the payback period is 4 years.

Based on the observations, analytical and critical analysis of this study, the proposed business is feasible and profitable.
