

ABSTRACT

Title of Research : **ASSESSMENT OF DE LA SALLE UNIVERSITY'S BALIK-ARAL PROGRAM: TOWARDS THE DEVELOPMENT OF A MANUAL OF OPERATION**
Author : **LANIE R. BARRERA**
Degree : **Master of Arts in Education**
Major : **Educational Management**
Date of Completion : **May 2018**

This study utilized descriptive method of research to determine the assessment of Balik-Aral Program.

A questionnaire was administered to three (3) past and present coordinators, eighty nine (89) past and present volunteer-teachers, and one hundred eighty eight (188) past passer, non-passer and current students wherein the gathered data were presented using weighted mean and F-test.

Findings revealed that Balik-Aral Program is Excellent in organizational structure, information dissemination, goals and objectives of the program, curriculum content, instructional practices, instructional materials; Very Good in organizational management and facilities; and Good only in financial resources. Further, no significant differences existed in all the assessments given by the three groups of respondents.

As an offshoot of this study, a Manual of Operation was prepared by the researcher which can be utilized by the University in its implementation of the program.
